

ESVS/Siljansnäs

Siljansnäs is a small village near Leksand in Dalarna Sweden.

This is a small but very active private airport with sailplanes and UL and so on.

Every year in September there is a fly in which a crayfish party, people flies in from all of Scandinavia and even as far as Poland.

<http://www.siljansnasfk.com/>

There is a museum with aeroplanes from the beginning of flight, a Blériot, and one

Of the first seaplanes.

<http://www.siljanairparkmuseum.se/se>

They even have Europes first Airpark (people living by the airfield with there planes in the garage).

<http://www.siljanairpark.se/>

Install as usual.

Not tested in FS9

I have used Airport Design Editor 9x and the Object Placement Tool.

This is my first scenery for FS so constructive criticism is welcome.
